UNCLAIMED FUNDS: EXEMPT ACCOUNTS

O.R.C. 169.02(N) Wages Less Than or Equal to \$50.00: Effective August 29, 2002 any wages less than or equal to \$50.00 issued on or after July 1, 2000 reportable as unclaimed in 2002 and following years are exempt from unclaimed funds reporting requirements. Any wages less than or equal to \$50.00 issued prior to July 1, 2000 still in the possession of the filing company are reportable as unclaimed funds.

O.R.C. 169.01(B)(2)(d) Merchandise Gift Certificates: Effective June 6, 2001 a credit due a retail customer that is represented by a gift certificate, gift card, merchandise credit, or merchandise credit card redeemable for merchandise is exempt from unclaimed funds reporting requirement.

O.R.C. 169.01(B)(2)(b) & (c) Business to Business Transactions: Effective September 14, 2000 any payment or credit due to a business association from a business association representing sums payable to suppliers, or for services rendered and sums received by a business association from a business association for the sale of tangible goods or services performed, became exempt from unclaimed funds reporting requirements. This Business to Business Exemption effectively eliminates wholesale trade from the jurisdiction of the Law. In addition, the changes not only eliminate unclaimed funds resulting from business to business transactions that were due by November 1, 2000, but also retroactively exempted any unclaimed funds from such transactions that were reportable in prior years still in the possession of the business association.

The Business to Business Exemption includes, but is not limited to, any check, credit, memorandum, overpayment, unidentified remittance, nonrefundable overcharges, discount, refund and rebate that is due to a business association from a business association. However, equity, dividend and interest payments from a business association to a business association could still become unclaimed as they do not result from wholesale trade. In addition, payments due from or received by a business association from a customer that is a private individual are still reportable unclaimed funds. This exemption also does not apply to funds payable due to a policy of insurance or any deposit to secure membership in a trade organization.

HOW TO FILE AN UNCLAIMED FUNDS REPORT

IDENTIFY DORMANT ACCOUNTS: The company's Accountant or Controller should review records to identify dormant accounts that they may be holding. See pages 39- 40 of this booklet for a schedule of dormant account descriptions, dormancy periods and Nature of Funds Codes. The dormant accounts should be researched to eliminate accounting errors.

MAIL THE OUF-8 NOTICE OF UNCLAIMED FUNDS: Companies are required to send an OUF-8 Notice of Unclaimed Funds, or a similar notice that meets statutory requirements, to the last known address of the owner or beneficiary of dormant accounts with a balance of \$50.00, and less than \$1,000.00, via first class mail. Also, Effective October 21, 2003 companies are required to provide the mandatory notice of unclaimed funds to the owner or beneficiary of accounts with a value of \$1,000.00 or more by certified mail, return receipt requested. The company is authorized to charge up to \$20.00 against each account subject to the mailing to reimburse themselves for the certified mail cost. Include a self-addressed, stamped, return envelope. Allow a minimum of thirty (30) days for the owner or beneficiary to respond to the notice prior to reporting their funds as unclaimed.

SELECT A REPORTING METHOD: The Division encourages companies with more than fifty (50) unclaimed accounts to file an electronic report on CD-ROM or DVD in NAUPA Standard Electronic File Format or by using the HRS Pro - Holder Reporting System that may be downloaded through links on the Ohio Division of Unclaimed Funds website: www.com.ohio.gov/unfd.

Paper Forms: To report by paper, complete the applicable forms contained in this booklet. **ALL FORMS MAY BE PHOTOCOPIED.** You may print this booklet from the Division's website: www.com.ohio.gov/unfd. See page 10 for instructions.

REPORTING UNCLAIMED ACCOUNTS: Report all accounts of \$50.00 or more, for which you received no response to the OUF-8 Notice of Unclaimed Funds, if the Notice was returned due to bad address or if the owner's address is UNKNOWN. No mailing is required for accounts less than \$50.00, however, applicable accounts would be reportable as an AGGREGATE total. There is no minimum amount reportable. See pages 2 and 6-7 of this booklet for additional information.

FILING A NEGATIVE (NONE) REPORT: If a diligent search has shown that the company is not holding any unclaimed funds, or if all owners respond to the OUF-8 Notice of Unclaimed Funds mailing, you may file a Negative (NONE) Report by paper using the OUF-1 Unclaimed Funds Reporting Form. Complete the top portion of the form, check NO and sign the report Verification. Then mail the completed OUF-1 to the address listed on the form to file the Negative (NONE) report or file a Negative (NONE) Report through the Ohio Business Gateway at www.business.ohio.gov.

MAIL THE COMPLETED REPORT, REMITTANCE CHECK, SECURITIES AND SAFE DEPOSIT BOX CONTENTS TO: Ohio Division of Unclaimed Funds 77 S. High St., 20th Floor Columbus, OH 43215-6108

OHIO BUSINESS GATEWAY UNCLAIMED FUNDS REPORT FILING: Companies may now report unclaimed funds on-line through the Ohio Business Gateway (OBG) by uploading a NAUPA electronic reporting file and paying the balance due to the State via ACH Debit Transfer. Annual Unclaimed Funds Review Guidelines

I. IDENTIFYING DORMANT ACCOUNTS

Public and private businesses, financial institutions and all other entities (**except for I.R.C. 501(C)(3) tax exempt hospitals and political subdivisions**) that maintain account balances, write checks or hold funds in escrow for another person or persons, **must** file an Annual Report of Unclaimed Funds even if they have no unclaimed funds to report. The annual report is due by November 1, for accounts dormant as of the preceding June 30, for all entities except life insurance companies. Annual reports from life insurance companies are due by May 1, for accounts dormant as of the preceding December 31.

Example: Payroll checks are dormant after one (1) year. As of June 30, payroll checks that were issued one (1) or more years ago, but that have not cleared the bank, are dormant. **Checks do not have to be in the possession of the company to be dormant.** Dormant checks would include all outstanding checks that meet dormancy requirements as well as checks returned to the company by the post office, checks not picked up by the employee, **checks re-deposited to the company's checking account by a payroll agent** and checks written off to income or against expense.

Listed in **Table 1** and **Table 2** you will find examples of the types of accounts that can become unclaimed funds in a typical public or private corporation and a financial institution. For a complete listing of the types of accounts that could become unclaimed funds in your company, their dormancy periods and Nature of Funds Codes please see pages 38-39 of this booklet.

Agent Issued Stale Dated Payroll Checks: If your company uses a payroll processing agent to issue checks that clear on the agent's account, the agent will periodically notify the company of stale dated payroll checks that have not cleared their account. They will then redeposit these funds to the company's checking account and the checks will no longer be negotiable. The company then has the responsibility for controlling and reporting the re-deposited payroll checks as unclaimed.

If the payroll processing agent does not redeposit stale dated payroll checks back to the company's account, you need to contact the agent to determine if they review outstanding payroll checks for unclaimed funds reporting. **If the agent reviews outstanding payroll checks for unclaimed funds reporting purposes, then no additional work is required.** If they do not then you should obtain an outstanding checklist from the agent, or the issuing bank, and request that funds for dormant accounts be returned so that they can be reviewed to identify reportable unclaimed accounts. **Wages, salary and commissions become dormant (1) year from the date payable.** The unclaimed funds law requires that the full name and last known address of the owner be reported for each item \$50.00 or more. Please obtain this information from your payroll processor.

Effective August 29, 2002 wages, salary and commission payments less than or equal to \$50.00, payable on or after July 1, 2000, are exempt from unclaimed funds reporting. See page 2 for additional information.

Third Party Administrators for Worker's Compensation Payments or Health Benefits: If your company is self-insured for worker's compensation or health benefits, the un-cashed disbursement checks should be reviewed annually for unclaimed funds reporting. Any monies from un-cashed disbursements held by, or returned to you by a third party administrator (TPA) would be reportable as unclaimed funds. Contact your TPA to determine if they report unclaimed funds for your company. If they do not, then you should obtain an outstanding checklist and request that funds for dormant accounts be returned so that they can be reviewed to identify reportable unclaimed accounts. **Worker's compensation payments become dormant one (1) year from the date payable and health benefit disbursements become dormant three (3) years from the date payable.**

401K Accounts (Qualified Plans) of Former Employees with Bad Addresses: Problems with bad address accounts can occur if mandatory distribution of 401K monies, or other qualified plan monies, is not required when an employee leaves the company. These bad address accounts, with a balance of less than or equal to \$1,000.00, may be reported as unclaimed thirty (30) days after completing the mailing of an OUF-8 Notice of Unclaimed Funds. The Employees Retirement Income Security Act (ERISA) requires accounts of more than \$1,000.00 be maintained for the owner with a designated trustee.

Underlying Shares of Stock: An underlying share of stock may or may not be in the possession of the owner. **The underlying shares are considered dormant and subject to unclaimed funds reporting if dividends and any other sums payable have remained unclaimed (un-cashed or RPO - Returned by the Post Office) by the owner for five (5) years.** Any dividends or other distributions payable to the owner would also be reportable as unclaimed funds with the shares. The reportable underlying shares should be cancelled, and a balance certificate issued to the Ohio Department of Commerce, Division of Unclaimed Funds.

II. RESEARCHING THE ACCOUNTS

Once the dormant accounts have been identified, you should research them to determine if checks have been voided and reissued, voided and not issued (duplicate payments) or cleared the bank without being removed from the outstanding checklist. These items would not be unclaimed funds. Document your research and retain any work papers in the annual reporting file for five (5) years or until an examination is conducted, whichever comes first.

III. DUE-DILIGENCE MAILING REQUIREMENT

Companies are required to send an OUF-8 Notice of Unclaimed Funds, or a similar notice that meets statutory requirements, to the last known address of owner or beneficiary of dormant accounts via first class mail with a balance equal to \$50.00 and less than \$1,000.00. ***Effective October 21, 2003 companies are required to provide the mandatory notice of unclaimed funds to the owner or beneficiary of accounts with a value of \$1,000.00 or more by certified mail, return receipt requested. The company is authorized to charge up to \$20.00 against each account subject to the mailing to reimburse themselves for the certified mail cost.*** Include a self-addressed, stamped, return envelope.

Allow a minimum of thirty (30) days for the owner or beneficiary to respond to the notice prior to reporting their funds as unclaimed. Accounts with a balance of \$50.00 or more with mail returned for bad address, and those whose owner or beneficiary do not respond, are reportable unclaimed funds. **No mailing is required to owners of dormant accounts less than \$50.00, however, applicable accounts would still be reportable unclaimed funds as an Aggregate total.**

IV. REPORTING UNCLAIMED ACCOUNTS

Companies are required to report the following information for accounts with identifiable owners and a balance greater than or equal to \$50.00: **full name & last known address of the owner, social security number (if available), account number, amount, date of last transaction, nature of the funds and the owner's relationship to the account.** Provide the account number, amount and date of last transaction for accounts with a balance greater than \$50.00 with an unknown name and address. Provide the owner's name, account number, amount and date of last transaction for accounts with a balance greater than \$50.00 with an unknown address. **Applicable accounts less than \$50.00 are reported as aggregate totals by Nature of Funds Code, no owner or address information is necessary.** Companies must maintain a list of the accounts and balances that make up the aggregate total in order to provide account verification if the owner makes a claim. A copy of the list of accounts can be included with the report.

Reportable unclaimed accounts should be closed out and listed on the OUF-2 List of Owners of Unclaimed Funds. Also, submit an OUF-1 Unclaimed Funds Reporting Form and a check for the total of the unclaimed accounts made payable to: Ohio Division of Unclaimed Funds. If shares of stock are reportable as unclaimed, a certificate for the unclaimed shares should be issued to: Ohio Division of Unclaimed Funds.

Instructions for completing reporting forms are contained in this booklet. Stock certificates from safe deposit boxes or other safekeeping repository should be reported as found. The company is held harmless by the State and is relieved of liability from any and all claims once the unclaimed accounts are reported, as long as the due-diligence mailing requirements of section 169.03 O.R.C. are met.

FILING EXTENSION: THE EXTENSION MUST BE FILED BY THE SAME DATE AS THE REPORT YEAR DEADLINE

V. EARLY REPORTING OF UNCLAIMED ACCOUNTS

The dormancy periods listed for unclaimed accounts are the **maximum** periods that dormant accounts may be held prior to unclaimed funds verification and reporting. Owner Record Examples

- **Example 1: Aggregate Record:** 23 checks less than \$50.00 totaling \$115.00 are reported in the aggregate in this example. All unclaimed accounts less than \$50.00 are reported as an aggregate total by Nature of Fund Code.
- **Example 2: Unknown Owner:** Money order #35687 for \$3,536.00, the owner's name and address are unknown. Please list account #, amount and date of last transaction for accounts with unknown name and address that have a balance greater than \$50.00.
- **Example 3: Unknown Address:** William B. Ryan is the only known owner of Certificate of Deposit #875-01 for \$15,906.78. His address is unknown. The Relationship Code for a single owner account is "SO" - Sole Owner.
- **Example 4: Business Owner:** The name of the corporation, partnership, association or trade name should be listed exactly as it was on the account that is being reported. The Relationship Code for a single owner account is "SO" - Sole Owner.
- **Example 5: Single Owner:** Jill A. Smith is the only known owner of checking account number 923456 for \$10,456.35. The Relationship Code for a single owner account is "SO" - Sole Owner.
- **Example 6: Joint Owner with "OR" Relationship and Right of Survivorship:** John G. OR Sally Jones are the joint owners of a \$250.00 savings account. Because of the "OR" relationship between the owners, either owner is entitled to claim the entire amount of the unclaimed funds. The holder has account documentation that states that each owner has the Right of Survivorship; therefore, the surviving owner is entitled to claim the entire balance of the account if the other has died. With the "OR" relationship and Right of Survivorship both owners would be coded "JY".
- **Example 7: Joint Owner with "AND" Relationship and No Right of Survivorship:** Sarah Brown AND Jim B. Brown are the joint owners of the \$800.00 of bond principle. Because of the "AND" relationship between the owners both owners must present a claim in order to claim the unclaimed funds. The holder has account documentation that states that there is NO Right of Survivorship for the surviving owner, therefore, the surviving owner is entitled one-half of the balance of the account if the other has died. The deceased owner's estate would be entitled to the other half of the account. With the "AND" relation and NO Right of Survivorship both owners would be coded "JT."
- **Example 8: Joint Owner with Unknown Relationship and Unknown Right of Survivorship:** Thomas K. Case AND/OR Roberta C. Case are the joint owners of \$56.29 of mineral proceeds. The relationship of the owners to the account is UNKNOWN and there is no documentation of the Right of Survivorship. If no information is evident of the relationship of the owners, then an "AND" relationship is assumed. Based on the Ohio Supreme Court decision Wright v. Bloom 69 Ohio St. 3d 596 (1994) if no information is evident of the existence of the Right of Survivorship then it is assumed that it does not

OUF-2 List of Owners of Unclaimed Funds Instructions Continued

exist. With an UNKNOWN relationship and UNKNOWN Right of Survivorship both owners would be coded "JT."

- **Example 9: Multiple Relationships - Insured and Beneficiary:** Nancy Jones is the beneficiary of the \$5,000.00 insurance policy of John Smith. Since Nancy Jones is the beneficiary of the \$5,000.00, this amount is listed on the line with her name. She would be assigned a **"BF"** (Beneficiary) relationship code. The insured party John Smith is then listed on a separate line with a \$0.00 amount reported. He would be assigned an **"IN"** (Insured) relationship code.
- **Example 10: Multiple Relationship - Heir, Estate of and Attorney for:** Judy McScott is the heir to \$2,750.00 from the Estate of Marva Holworth. The attorney for the estate is John X. Veley. Since Judy McScott is the heir to the \$2,750.00, this amount is listed on the line with her name. She would be assigned a **"BF"** (Beneficiary) relationship code. The funds are payable from the Estate of Marva Holworth which is listed on a separate line with a \$ 0.00 amount reported. The estate would be assigned an **"ES"** (Estate of) relationship code. Finally, as attorney for the estate John X. Veley would be listed on a third line with a \$0.00 amount reported. He would be assigned an **"AF"** (Attorney for) relationship code.
- **Example 11: Multiple Relationships - Beneficiary and Custodian/ Guardian:** Scott Mathers is the beneficiary of a \$25,000.00 individual life insurance policy benefit. Jennifer Mathers is his Custodian/ Guardian. Since Scott Mather is the beneficiary of the \$25,000.00 this amount is listed on the line with his name. He would be assigned a **"BF"** (Beneficiary) relationship code. Jennifer Mathers as his Custodian/ Guardian would be listed on a separate line with a \$0.00 amount reported. She would be assigned a **"CF"** (Custodian for) relationship code.

Note: Refer to the Annual Report of Unclaimed Funds pages 38-41 for further explanation and a table that will help you select the proper relationship code for joint owners and accounts with multiple relationships. Account documentation that identifies owner relationships should be retained with your annual reporting records.

Holder Generated Reporting Forms

The Ohio Division of Unclaimed Funds will accept computer generated reporting forms, as long as the owner and account information required by statute is provided in the order listed on page one (1) of the instructions for the OUF-2 List of Owners of Unclaimed Funds form. Please submit reports on 8.5" X 11" white paper and use the largest possible font size when printing reports to be substituted for the OUF-2 as they are manually entered into our data processing system.

There are two types of deductions allowed to be taken by the reporting Holder:

Revenue Ruling 2018-17 Requirement:** Effective January 1, 2020, the Internal Revenue Service has a new Revenue Ruling 2018-17 concerning withholding and reporting taxes for Individual Retirement Accounts ("IRAs") and then reporting the net to unclaimed funds. Enter the full amount reportable and the amount deducted in the ***Deducted: \$ box, deduct it from the full amount reportable cash account balance, and enter the difference as the Amount Remitted. Enter the deduction code in the ***Deduction Code*** box.

Certified Mailing Requirement:** Holders are required to provide the mandatory notice of unclaimed funds to the owners of accounts with a value of \$1,000.00 or more by certified mail, return receipt requested. The holder is authorized to charge up to \$20.00 against each account subject to the mailing to reimburse themselves for the certified mail cost. Enter the full amount reportable and the certified mailing fee in the ***Deducted: \$ box, deduct it from the full amount reportable cash account balance, and enter the difference as the ***Amount Remitted***. Enter the deduction code in the ***Deduction Code*** box.

Example: Multiple Deductions Same Account: Scott Mathers is the deceased owner of a \$25,000.00 individual retirement account. The holder sent out the mandatory notice of unclaimed funds via certified mail as required for accounts of \$1,000.00 or more. No response was received and the property is now reportable. Since ten percent (10%) or \$2,500.00, would be deducted from the gross amount and reported to the IRS by the holder, the net amount would be \$22,500.00. Since the holder can deduct up to \$20.00 for the certified mailing fee, the reportable amount is now \$22,480.00 and would be reported in the ***Amount Remitted*** box.

OUF-5b Safe Deposit Box Inventory

Instructions

Trying to achieve the exact description of an item can be time consuming and difficult. The OUF-5b has been created to help Holders to accurately and quickly perform the inventory of a safe deposit box for reporting. The property types are printed in bold along with a brief description of the reportable items with a space to note the quantities. If an item is not listed a space is provided at the bottom of each category for it to be **neatly** printed in along with the quantity. If additional space is needed or you prefer to list the items separately please use the last page of the OUF-5b.

For example a Safe Deposit box contains a Twenty Dollar Gold Piece, 1976 two dollar bill and a 1890 Morgan Dollar, you would simply put a one by the Twenty Dollar Gold Piece category, a one by two dollar bill and a one by the Morgan Dollar.

All bags/envelopes containing contents being reported should be put into box(es) for shipping to the Division. Completed form OUF-1 along with completed forms OUF-5a and OUF-5b for each owner should be placed in the box(es). Please be sure to securely tape your box(es) for shipping.

OUF-8 Notice of Unclaimed Funds INSTRUCTIONS

Companies are required to send an OUF-8 Notice of Unclaimed Funds, or a similar notice that meets statutory requirements, to the last known address of the owner or beneficiary of dormant accounts with a balance of at least \$50.00 and less than \$1,000.00 via first class mail. Companies are also required to provide the mandatory notice of unclaimed funds to the owner or beneficiary of accounts with a value of \$1,000.00 or more by certified mail, return receipt requested. The company is authorized to charge each account subject to the mailing up to \$20.00 to reimburse themselves for the certified mail cost. Include a self-addressed, stamped, return envelope.

Allow a minimum of 30 days for the owner or beneficiary to respond to the notice prior to reporting the funds as unclaimed. Accounts with a balance of \$50.00 or more with mail returned for bad address, and those whose owner or beneficiary do not respond, are reportable unclaimed funds. No mailing is required to owners of dormant accounts less than \$50.00, however, applicable accounts would still be reportable unclaimed funds as an aggregate total.

Requirements for Holder-Generated Notices

Companies may devise their own notice of unclaimed funds. Company generated notices must meet the following requirements:

- Disclose the owner's account number or other identifying number
- Describe the type of dormant account
- Identify the amount of the dormant account
- Disclose to the owner that after 30 days the funds will be reported to the division as unclaimed. The owner must be given a minimum of 30 days to respond to the notice prior to reporting their account to the division as unclaimed funds.
- The notice must require the owner to sign and return the form as acknowledgment of ownership, or reactivate the account, to prevent it from being reported as unclaimed funds.

Requirements for Reporting Joint Account Information

When reporting an unclaimed account with joint owners it is necessary to determine the relationship between those owners and their Right of Survivorship. If no information is evident of the relationship of the owners, it is unknown if the joint account is a joint "AND" or a joint "OR" account, then an "AND" relationship is assumed. This means that all owners of the joint account must file a claim to receive their share of the unclaimed funds unless one of the owners has a release from the other owner, or the surviving owner has proof that the other joint owner is deceased, at which point the Right of Survivorship becomes an issue.

Based on the Ohio Supreme Court decision *Wright v. Bloom* 69 Ohio St. 3d 596 (1994), if no information is evident of the existence of the Right of Survivorship, then NO Right of Survivorship is assumed. This means that if a joint account is reported with unknown Right of Survivorship then it is assumed that it does **not** exist. Please review unclaimed joint accounts for the "AND" or "OR" relationship of the owners and the existence of the Right of Survivorship. The following table will help to determine the proper Relationship Code for joint accounts.

DETERMINING THE RELATIONSHIP CODE FOR A JOINT ACCOUNT

Relationship Code	Relationship of Owners	Right of Survivorship	Who may claim unclaimed funds and how much they are entitled to using the <i>Wright v. Bloom</i> guidelines.
JY	"OR"	YES	Due to the "OR" owner relationship either owner may assert a claim on the entire balance of unclaimed funds. With Right of Survivorship the surviving owner is entitled to the entire balance of unclaimed funds.
JO	"OR"	NO	Due to the "OR" owner relationship either owner may assert a claim on the entire balance of unclaimed funds. With NO Right of Survivorship, the surviving owner is entitled to one-half the unclaimed funds account balance. The deceased owner's estate would be entitled to the remaining half of the unclaimed funds.
JO	"OR"	UNKNOWN	Due to the "OR" owner relationship either owner may assert a claim on the entire balance of unclaimed funds. With UNKNOWN Right of Survivorship assume there is No Right of Survivorship. The surviving owner is entitled to one-half the unclaimed funds account balance. The deceased owner's estate would be entitled to the remaining half of the unclaimed funds.
JS	"AND"	YES	Due to the "AND" owner relationship all owners must file a claim to receive their share of an unclaimed account. With Right of Survivorship the surviving owner is entitled to the entire balance of unclaimed funds.
JT	"AND"	NO	Due to the "AND" owner relationship all owners must file a claim to receive their share of an unclaimed account. With NO Right of Survivorship, the surviving owner is entitled to one-half the unclaimed funds account balance. The deceased owner's estate would be entitled to the remaining half of the unclaimed funds.
JT	"AND"	UNKNOWN	Due to the "AND" owner relationship all owners must file a claim to receive their share of an unclaimed account. With UNKNOWN Right of Survivorship assume there is No Right of Survivorship. The surviving owner is entitled to one-half the unclaimed funds account balance. The deceased owner's estate would be entitled to the remaining half of the unclaimed funds.
JT	UNKNOWN	UNKNOWN	Due to the unknown owner relationship, an "AND" relationship is assumed, and all owners must file a claim to receive their share of an unclaimed account. With UNKNOWN Right of Survivorship assume there is No Right of Survivorship. The surviving owner is entitled to one-half the unclaimed funds account balance. The deceased owner's estate would be entitled to the remaining half of the unclaimed funds.

*NOTE: The shares of an account to which joint owners are entitled may differ when there are more than two (2) joint owners. *
